

Saving a listing as a Favorite, is an easy way to keep track of a particular listing. Listings can be saved to your Favorite list or to a Contact.

To view your Favorite Listings, click Search and then click **View Favorite Listings** or click on the **Favorite Listings icon** on the home page.

Choose either **My Favorite Lists** or **Favorite Lists For My Contacts**.

Click on **Select** to see a list of actions that you can perform.

The actions you can perform are:

- Manage Favorites
- Change List Name
- View Listings
- Manage Notes
- Add Listing ID (MLS #)
- Delete
